Sharon Center United Methodist Newsletter

March 2020

Dear Faith Community,

Butterflies are amazing! Have you even been to a butterfly house or garden? They are amazing places where sometimes thousands of butterflies live, and if you sit very still, a butterfly will land on you. Watching them becomes hypnotic as they slowly move their wings, showing off their beautiful markings and tiny body and legs. I've always been amazed to watch the process of change that happens as a caterpillar becomes a butterfly, the transformation that happens to its tiny body. There's nothing we can do to help; they must trust the process and have faith that in the end it will be a whole new creature, capable of things beyond imagination.

Isn't that what it's like for us too, as Christians? We start out as one thing, and by trusting in God's transforming grace and mercy we are transformed into a new person. Just like the caterpillar, it doesn't happen quickly, and sometimes it's painful; no one can help us with the hard work and only God can make it happen. We are all just caterpillars on our way to butterflies, trusting Him and doing the hard work.

Through the season of Lent, we'll be doing the intentional work of seeking a change of heart and actions. Lent can be like a reboot of your computer, or a boot camp for the soul: it's a restart in a focused area. There are lots of ways that we begin again: we start a new exercise program, train for a new job, or go on a retreat. Let's think together about how we can be transformed through the power of the Holy Spirit.

We'll begin Lent with a powerful Ash Wednesday service and then open our Sanctuary for prayer each Wednesday from 7 to 8 PM. Drop in for personal prayer and stay for a few minutes or a whole hour. Leave your burdens on the altar. Then join us for Holy Week services as we prepare to sing Alleluia in a new way, celebrating the resurrection of our Savior, Jesus Christ.

God bless you as you seek to live and love like Jesus.

## Outreach and Faith Formation Activity

The Worship Team has assembled LENT IN A BOX to be used as an outreach tool and as a devotional for each person and family at

**LENT**  
in a  
**BOX**

Sharon Center UMC. First, take one for yourself to be used with your family each week during Lent, beginning with Ash Wednesday. If you pick up yours late, that's fine – you can catch up quickly! In each box is an activity, a devotional and some great questions for discussion or personal study/journaling.

Second, take a couple to give to others and

invite them to join us for our Holy Week and Easter Services (and then follow up with them and see how it went). Take one to someone who is shut-in and might need to feel connected to the Sharon Center UMC family. We've made 100 boxes and we need all of them to be handed out and used for everyone to experience Christ in a new way as we prepare for a NEW ALLELUIA!

## Scout Sunday

Scout Sunday for Sharon Center UMC is March 8.

On February 12, 1920, the Methodist Church and Boy Scouts of America started a formal partnership. We are grateful to be in ministry together with them for 100 years. Many things have changed in those 100 years, but the Scout values remain the same. The commitment of the church to grow youth with values remains as well. We will also recognize young women in service through the Girl Scout organization. Opening the door for leading in service, sharing in recognitions and awards, and spending time worshipping together is one of the best ways to show the love of God for young men and women. Our Partnership with Girl Scouts is strong and growing. We support and empower girls in faith and skill. All Scouts are encouraged to wear their uniform and participate in the service. See Pastor Jane for a role in the service. We need greeters, readers, ushers, flag bearers. This is also a Cookie Sunday!

## March Mission of the month is

### LOVE INC

(Love In The Name Of Christ). Love INC is supported by Sharon Center United Methodist Church and we are a part of the network of churches in Medina County that provides a helping hand to those in need. Check out the website at [www.loveincmedina.org](http://www.loveincmedina.org).

Love INC Medina is a nonprofit organization committed to serving the people in Medina County who are facing financial hardships since 2010. As a part of the National Love INC movement, Love INC of Medina County is one of 134 affiliates in 29 states. Love INC works together with partner churches, organizations and agencies to help financially empower individuals and families. We help by providing financial assistance when struggling families and individuals are faced with utility disconnections, evictions, car repairs and other financial crisis. Trained volunteers and staff clarify and evaluate the requests for assistance to verify legitimate need, and then refer clients to other resources that can partner with them assist them.

This month we will be collecting essential kitchen household items for families and individuals who obtain housing due to a homeless situation, domestic violence or other financial insecurity. These families or individuals are starting their new lives without any of the essentials that make a house a home! We are asking for gently used kitchen essentials to distribute to those in need.

Here's a list of what's in a "starter kit": Gently used pots and pans, glasses, serving utensils, mixing bowls, silverware for four, bakeware, dishes for four. Please bring to the church and place on the table in the back and we will assemble into kits for donation at the end of the month. Here's a great opportunity clean out your cupboards and help those in need too!

## Check out our Website!

[www.SharonCenterUMC.org](http://www.SharonCenterUMC.org)

Our webmaster, Ken Ullery, has been working hard behind the scenes to add some new functions to our website. Our website is the first thing our visitors check out before they attend and it's important to keep it up to date, plus is a great resource for all the activities that happen at Sharon Center UMC. Can't find last week's bulletin? It's on the website. Forget where Lunch Bunch is this month? Check out the newsletter on the website. The calendar is updated weekly so that you know what groups are using the Fellowship Hall and what time potluck starts. Thank you, Ken, for all of your hard work – with more new tools coming!

## Men's Group

This year we are using *The Making of a Man* by Tim Brown. Tim Brown won the Heisman Trophy at Notre Dame and played 17 years in the NFL and was inducted into the NFL Hall of Fame in 2015. Its about leading a life of honor and integrity that honors God. This is a study for all men no matter what stage of life you are in. There are six sessions and we plan to go until Saturday May 2, with filling in some of the months with community service projects.

Our next meeting will be Saturday Mar. 7, 8-9:30AM at Sharon Center UMC.

If you want to see what you missed you are welcome to borrow the materials in between meetings. You can also join in at anytime because each session is independent of the others and there are no pre-requisites. .

## Sharon Center UMC Moves to One Board Leadership Team Model

On January 26, 2020, at the Sharon Center UMC All Church meeting held after Worship, there was unanimous approval to move to a One Board Leadership Team model. With the blessing of our District Superintendent, our church decided to move from the traditional committee format / structure to a streamlined model.

A One Board Leadership Team will combine the Finance, Staff/ Parish Relations, and Trustees Committees into one team for leadership, oversight, and goal setting for our church. Specific teams can then form to do the work of the Church, such as a particular project--mission / ministry, or outreach effort--and when that project is completed, the team may then dissolve (examples of this are the Memorial Day Pancake Breakfast that does community outreach, our Halloween outreach, and several other missional efforts).

The Leadership Board will confirm the church's vision and goals in partnership with the Pastor, set priorities for the congregation, care for the assets of the church, and align church resources with established priorities. They will establish a yearly church budget, work cooperatively with the District Superintendent and Pastor, and work in partnership with ministries / programs to fulfill the church's vision and goals.

The Pastor will keep the church focused on its vision, hire, supervise, and assess paid and volunteer staff, mentor new leaders and support current leaders, monitor team leaders in various ministries to work toward accomplishing their goals that further the church's vision / goals, and coordinate with and communicate with the Leadership Board.

As we live our church's vision to be the hands and feet of Jesus, we hope that this streamlined model will encourage us all to become more involved and active in our outreach and missional efforts, without the need to serve on numerous committees or spend valuable time in meetings rather than outreach and ministry to our community and the world. We are excited about the possibilities this new model gives us to be more in service and meet our community's needs!
