The Birth of Isaac

Three mysterious visitors came to see Abraham.

Abraham welcomed the visitors.

Sarah prepared a good meal for the guests.

Abraham had water brought for their animals and so they could wash their feet.

The mysterious visitors ate their meal.

When the meal was over, they gave Abraham some news.

Sarah laughed!

How could she have a baby at her age?

The next year, Abraham and Sarah had a baby. They named him Isaac.

God kept the promise.

**FAMILY DEVOTION**

Call one or more of your grandparents and ask about the birth of your parents. Did you learn something you've never known before?

Write down what you learned and put the sheet in a safe place to read again at a later date.

I can't wait to go to the movies after church! Thanks for going with me.

Hey Ethan! I just got the Defenders of StarBase Omega video game!

God's promises are always kept... always!

Hey Emma, I'll take you to the movies next weekend. I'm gonna play a video game with Kenji today.

Promise?

What?! But I really wanted to go!

What's going on?

Ethan said he was going to take me to the movies, but now he's gonna play with you today!

Dude! That's like a promise! You have to keep your promises! Besides, we can always defend StarBase Omega tomorrow.

My mom said you can come to my house after church and play it with me.

Yeah, sounds great, Nicolas!
