In the beginning, God created. God said, "Let there be light."

**There was evening and morning.**
**Day one.**

God separated the waters under the dome and above. God called the dome "sky."

**There was evening and morning.**
**Day two.**

God created the dry land and the seas. God said, "Let the earth grow plants." God saw it was good.

**There was evening and morning.**
**Day three.**

God made birds for the sky and sea animals that swim.

**There was evening and morning.**
**Day five.**

God made animals to live on the land. And God made human beings in God's own image. God saw everything that was made. It was supremely good.

**Group: There was evening and morning.**
**Day six.**

---

**FAMILY DEVOTION**

What are your favorite things in nature? What would the world be like without the animals and plants you see every day?

- Draw a picture of your favorite things in nature. Write the words of Genesis 1:31 on the picture.

**BIBLE PASSAGE: GENESIS 1:31**

One Room is fun... you'll see, J. D.!

Here's the old soccer ball Ms. Lopez wanted me to bring.

What's written here... a time you moved, your favorite pizza, a time you cried...?

Those sound like lyrics to a bad pop song.

No! This is a get-to-know-you game. You catch the ball and answer a question about yourself. Watch!

J. D. is only four. He doesn't know how to read yet.

Why is he crying?

It's okay, J. D.! One Room has kids of different ages. But that means there are big kids to help you out! Let's see, the ball says "an object that's special to you."

My truck!

CHEESE! Hey guys, before class starts, let's get a selfie. Ready? 1... 2... 3...
