Peaceable Kingdom
Isaiah 11:6-9

The wolf will live with the lamb,
and the leopard will lie down with the young goat;
the calf and the young lion will feed together,
and a little child will lead them.

The cow and the bear will graze. Their young will lie down together,
and a lion will eat straw like an ox.

A nursing child will play over the snake’s hole;
toddlers will reach right over the serpent’s den.

They won’t harm or destroy anywhere on my holy mountain.
The earth will surely be filled with the knowledge of the Lord, just as the water covers the sea.

**FAMILY DEVOTION**

Think about competing fandoms in your family. Maybe there is a sports rivalry in your family. Or perhaps one family member loves Star Trek, but other members love Star Wars. Have fun with your competing fandoms. Draw pictures that show the fandoms and who in the family is a fan.

How can we love and appreciate differences in our family members?

May the Lord show you loyal love and faithfulness.
Read Isaiah 11:6-9 in a Common English Bible. Then, draw a line between the pairs of animals mentioned in the passage.
Animal Fold-In – Puzzle (Younger Elementary)

Color the page. Fold the page on the dotted lines so that A and B meet. When you fold the page, you’ll see a picture of God’s kingdom as described in Isaiah 11:6-9.
Write in Hebrew – Language Skill (Older Elementary)

The Old Testament was written in a language called Hebrew. Hebrew has its own alphabet. Look at the letters below. Copy the letters from this page onto a new sheet of paper.

ברכה

English words are written from left to right. Hebrew is written from right to left. Try writing the letters from right to left on your sheet of paper.

The word on this page is "bracha" which is the Hebrew word for blessing. It's a word which we see throughout the Bible, but especially in Genesis, chapter 12.

Add your Hebrew word to the classroom scroll you are making this month.
My Flag of Peace – Craft

Look at examples of flags for different countries. Then, design a flag for your own peaceable kingdom.
Make a Scroll – Craft

Use these instructions to make a classroom scroll. Use a large sheet of banner paper, two long cardboard tubes, and tape.
