## Name Sorting – Puzzle

We have learned names from both the Old and New Testaments this month. Look at the list of names below. Then sort the names onto the correct puzzle.

### OLD TESTAMENT

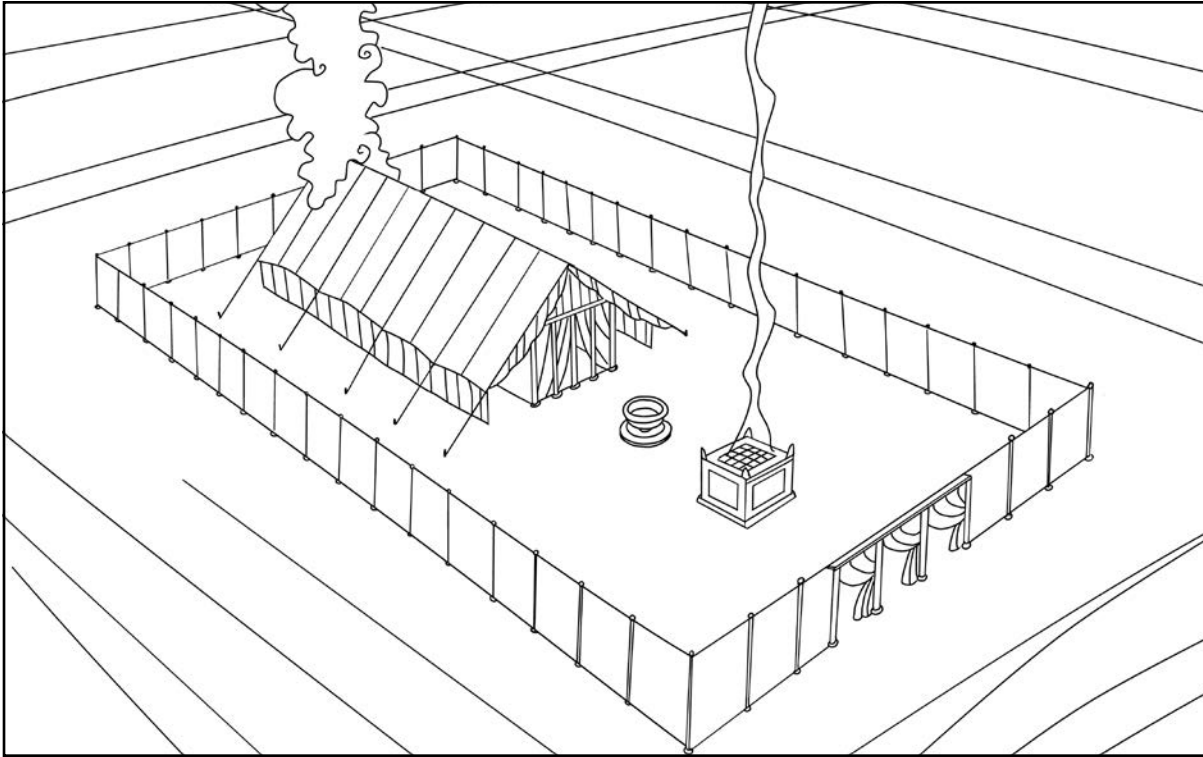

- Moses
- Aaron
- John
- Elizabeth
- Miriam
- Zechariah
- Pharaoh
- Gabriel

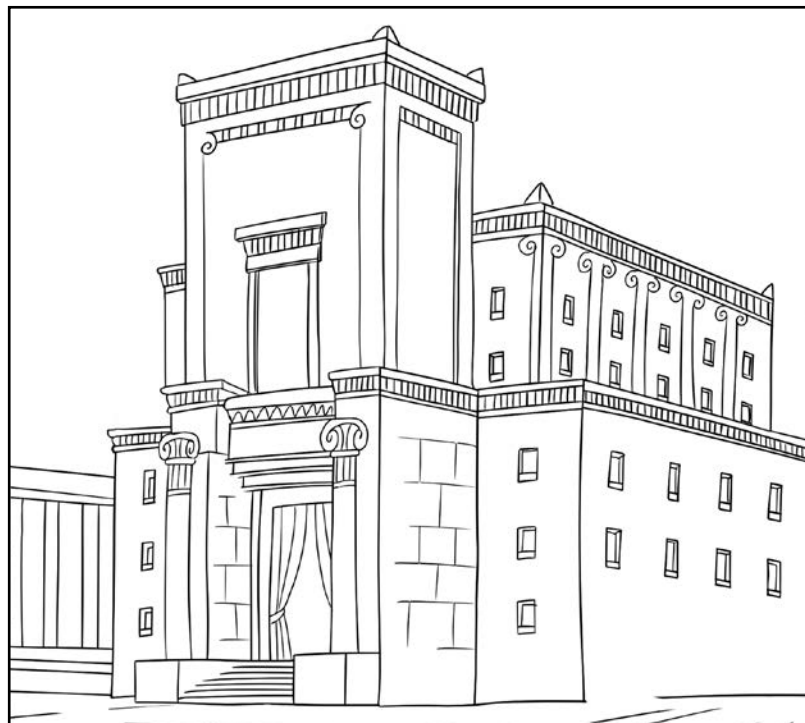

### NEW TESTAMENT

## The Tabernacle and the Temple – Bible Knowledge

When the Israelites left Egypt, they began wandering in the wilderness. God instructed the people to build a house for God called the Tabernacle (above).

Later, when the people of Israel settled in their own land, God instructed them to build a temple (right).

# November Stars and Constellations – Home Activity

Stars move across the sky and change each season. Constellations and asterisms are star pictures made from groupings of stars. Begin by facing South. Star pictures at the bottom of the page will be easier to see by facing North.

## SOUTH

"Pegasus"  
This constellation resembles a winged horse.

"Andromeda"  
represents a woman from Greek mythology. She is the daughter of Cepheus and wife Cassiopeia.

"Taurus"  
is a bull with long horns.

"Orion"  
is a warrior and easy to spot by three bright stars on his belt.

"Cassiopeia"  
is a queen in Greek mythology.

"Perseus"  
is a hero in Greek mythology.

"Auriga"  
is a man on a chariot. But it looks more like a chicken nugget!

"Cygnus"  
represents a swan.

"Cepheus"  
is a king in Greek mythology.

"Gemini"  
look like twins in the sky.

The star pictures on the left side of the page will appear earlier in the night. The star pictures on the right will appear later as the night goes on.

"Little Dipper"  
The Little Dipper is a star picture and part of the constellation Ursa Minor. The star at the end of the "handle" is the North Star.
